EXAMINER:

Dear Sir:

If any charges or fees must be paid in connection with the following communication, they may be paid out of our Deposit Account No. 50-0545.

I, Truman Wold, an individual inventor of the invention embodied in the above-identified patent application, hereby state that:

1. I am an inventor of the invention embodied in the above-identified application;
2. I was not included in the original Declaration submitted to the USPTO;
3. I have executed a new Declaration identifying the inventors named in the Declaration originally submitted to the USPTO, as well as identifying inventors omitted from the original declaration.
4. The error in naming me as an inventor occurred without any deceptive intention on my part.

EXAMINER:

Dear Sir:

If any charges or fees must be paid in connection with the following communication, they may be paid out of our Deposit Account No. 50-0545.

Pursuant to 37 C.F.R. 1.48(a)(5), I, Dr. Ashok V. Joshi as President of Microlin, L.C. and having full authority to act on its behalf herein state:

1. An Assignment of the above-identified patent application to Microlin, L.C. was formally made by the inventors listed in the Declaration submitted at the time of filing of the patent application at the USPTO;
2. A copy of the Assignment, as filed at the USPTO, is attached hereto as Exhibit A;
3. An error in the identification of the inventors (specifically failing to include three inventors) was determined;
4. A new Declaration identifying the originally identified inventors, as well as the three other inventors was fully executed and is being submitted simultaneously herewith;

5. The required statements by the newly added inventors have likewise been fully executed and are also being simultaneously filed herewith;
6. Assignee has reviewed all of the documents identified herein relative to the Correction of Inventorship, including the new amended Declaration and consents to the new inventors being added as inventors; and
7. All statements made herein of my own knowledge are true and all statements made on information and belief are believed to be true; and, further, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under § 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the Application or any patent resulting therefrom.

DATED THIS 20 day of Feb, 2003

Assignee, Microlin, L.C.
